Central Office Personnel

Gail Kist-Kline

Superintendent
kistkline@wyomingcityschools.org

Key Activities/paperwork for : Help Me Grow

The following documents and activities would support a seamless transition from Help Me Grow to preschool.

- Court documents for foster/adopted children and address of biological parent(s) for residency purposes for foster children.
- Birth certificate
- Social security number
- Proof of residency
- Would like to have referral for evaluation
- Any reports from private providers (medical & therapists)

The district request:

- The district would like to be notified about children turning three 6 months in advance if possible. Wyoming schools can also connect the families with a Social Service Agency through their school district for additional support if needed.
- The district would like for the service coordinators to help parents see all of the options that are available in their area regarding placement of their child when they turn three.
- Service coordinators need to prepare parents if they feel the child will not qualify for Part B services.
- The district would also like to receive updated information on children who are in the Help Me Grow and reside in their district (i.e. if they move, if they no longer qualify) so that the district has an idea of their upcoming numbers.
- The district would also like to receive a telephone call and written notice about transition meetings from the Help Me Grow service coordinator.
